

Jodi Schoenhaus, D.P.M.

Foot, Ankle & Leg Vein Specialist

D

Walk with comfort and look great doing it.

Dr. Schoenhaus is a foot, ankle and leg vein specialist. Her practice focuses on combining concepts of foot function and reconstruction with cosmetics. She has brought unique concepts in cosmetic surgery to Palm Beach County by providing aesthetic enhancements to your legs and feet. Being highly educated, she has been regarded as one of the best trained foot and ankle surgeons in South Florida. Furthermore, she is dedicated to providing an environment based on ethics and sincerity.

Dr. Schoenhaus has recently opened a new state of the art facility in Boca Raton. Her leg vein center encompasses diagnostic and treatment options for varicose and spider veins including sclerotherapy and laser ablation. Skin lesions, scars and ulcerations are treated with advanced techniques. Foot rejuvenation includes skin peels for dryness and cracks, reduction of excessive sweating, and enhancement of your natural foot padding making wearing high heels virtually painless. Surgical correction includes reconstructive and recontouring of deformities such as hammer toes, short and long toes, bunions and other bony abnormalities of the foot and ankle. Other unique features to the practice include shoe fitting for your specific foot type (flat or high arched).
